

TOURS IN OUR BACKYARD

We've had requests for a trip to the bushfire ravaged South Coast and the Snowy Mountains region of NSW to help boost their economy by staying in locally owned accommodation, spending our money with local tour guides, and purchasing local produce. We had already been thinking about this as well and we're keen to do this.....are our members keen as well?

PROPOSED TOUR #1

A proposal has been put forward for a trip to the South Coast bushfire ravaged areas in November 2020. This would be a 3 or 4 night trip taking in Narooma, Merimbula and Tilba. Given we've been in lockdown for several months this might be the break we all need!

PROPOSED TOUR #2

A trip to Cooma, Jindabyne and Mt Kosciusko in February 2021 for 3 nights. Visiting places of interest and learning the history of the area including the snowy scheme as well as a walk to Kosciusko's peak. Wildflowers will be in bloom!

We need a minimum of 8 for these tours to go ahead.

We would really like to have expressions of interest before approaching the local suppliers. Email your interest to: kerin@ccwtc.com.au or message me 0421 581 611.
