CRUISE DETAILS: Round trip Porto to Porto taking in the Douro Valley (Portugal) and Salamanca (Spain)

Portugal and Spain unveil their treasures along a unique cruise on the Douro. Discover Porto, a city full of charm where its heritage is perfectly combined with the modern, cosmopolitan and intimate at the same time. We will visit the charming city of Lamego where breathtaking landscapes of green hills offer an interesting change of scenery. We'll also discover Guimaraes and its fascinating stories that are reflected in the many monuments and historic buildings surrounding the town.

The one thing that excites me is the visit to Mateus☺ What excites you about a Portugal river cruise?

Inclusions:

All meals from dinner the first evening to breakfast on the final day – onboard drinks included (except for drinks from our specialist list), double occupancy cabin with shower in bathroom, onboard multi -lingual host/hostess.

** Excursions are not included! Choose the ones you want to take!
